

Dear Homeowners of Prestwyck HOA,

A representative with McKinney Parks Department has developed an online survey for our community to take in regards to the future park in the middle of Prestwyck. It will be live until November 26th. At that time she said she will compile and review the results with the design team and prepare for a public input meeting. Due to the upcoming holidays and such, the public input meeting will be held sometime within the first couple of weeks in January at the elementary school.

Online survey:

Here is another article that might be good to send along with the survey that references the budget for our park.
